Phone: +44 7903 386 168

Email: tom@osborn.audio

IMDb: [nm7207541](#)

Based: Bedford / London, UK

PROFILE

Production Sound Mixer and Location Sound Recordist with 10+ years' experience across feature films, television, documentary, commercials, branded content and corporate productions.

Experienced in production sound mixing, location recording and boom operation across independent shorts through to feature films, television drama and commercial campaigns. Specialised expertise in RF coordination, multi-camera workflows, timecode synchronisation and location problem-solving.

Professional cinema-grade sound kit available, scalable from one-man recordist package to full sound team setup. Full Member of IPS (Institute of Professional Sound). Professional Liability Insurance in place.
